me: sup g
me: lol
me: so
me: not sure if I told you
me: but Michael Hastings
me: our fellow True/Slant contributor
me: is the one who did that Rolling Stone story
me: which is certainly helpful to Project PM
me: insomuch as that he trolled the U.S.
me: also, I've been inattentive lately due to some projects, but Clark Robinson tells me you've made some strides, have a big Russian audience now
Mark: yeah, i've been making some progress
Mark: a little odd to have most of my readers overseas, but you take what you can get i guess
me: no kidding, I sure as fuck didn't choose my audience
me: I'm not even a liberal
Mark: the ones i get actually have some interesting stuff to say
Mark: not too much of the usual anti-semitism/racism you get on russian internet forums
Mark: or the agonized whining
me: right, lol
me: speaking of which
me: on reddit
me: someone linked to this amusing series of photoshops some russian forum had done of some guy
me: not realizing there would inevitably be some racist chart on there
me: anywho, I've gotten out of NYC so finally have had time to concentrate on Project PM
me: will get back to you further soon
Mark: awesome man, looking forward to hearing more
me: also, saw your piece on P.J. O'Rourkee
me: he did used to be funny
me: up until about ten years ago
Mark: yeah i mean, i will admit i haven't read much of his old stuff
Mark: have certainly heard good thingsa bout it
Mark: but his recent stuff, oh boy
Mark: it's like outtakes of Mark Levin's radio show, just painful
me: yeah, it's fucking worthless
